Digital Event

November 24, 2020

The Summit

Women Working For Change (WFC) flagship event

Over 250 of Africa's top female executives gather and work as one, every year since 2018, to define and maximize existing avenues to **empower and celebrate** women leaders in business.

*Dear Women Leaders,
As Chairperson of Women Working for Change (WFC), I'm pleased to welcome you back to announce the third Summit of WFC, that will be held next November !*

Due to the unprecedented international situation, we will organize it in a digital format for the first time, during which we will welcome role-models and remarkable speakers. We also want you, Women Business Leaders in Africa, to take an

active part in our discussions to find innovatives solutions, and to engage yourself for the necessary changes and impact.

You will also have the opportunity to network with some of the greatest leaders, and to beneficiate of workshops to improve your leadership skills.

Together, let's change the face of business in Africa!"

Daphne Mashile-Nkosi,
Executive Chairperson, Kalagadi Manganese,
and Chairperson, WFC

The Summit

An online international event that brings together more than 400 Senior Women Leaders, to face today's challenges, raise their leadership skills, connect the female game changers of African economies and articulate concrete actions and commitments.
